

Adhesive for pressure sensitive adhesive materials and labels

Item/Performance		homaprom 1331	homaprom 1332	homaprom 1630
AREA OF APPLICATION	Glass containers	■	■	■
	PET	■		■
	Metal (cannery containers)	■		■
	Label type	Paper, metalized paper	Paper, metalized paper	PP, PE, polyester plastics
EQUIPMENT	Recommended application	Automatic Linear-type lines	Automatic Carousel-type lines	Automatic labelling machine (carousel and linear type), Working temperature 140-190°C
	Equipment cleaning	Water washing	Water washing	Mechanical
PERFORMANCE	Base	Water acrylic dispersion	Water acrylic dispersion	EVA hot-melt adhesive
	pH	8,0±1,0	8,0±1,0	
	Brookfield dynamic viscosity R2/20 @ 23°C, mPa*s	35000–45000	40000± 2000	Вязкость по Брукфилду (Sistema Thermosel – ASTM 3236) при 160°C – 900 мПа*с
	Cold resistance	A single transporting freezing is allowed		Freeze-resistant
